

Indiana Association of Mediators

Advancing the Practice of Mediation in Indiana

Special Conference Edition!

In recent years, the IAM has been building a reputation for bringing some of the best mediation trainers in the country to its Fall Conference. This year is no exception and we are pleased to announce that the 2011 Fall Conference will feature **Forrest S. “Woody” Mosten**, an internationally-recognized expert on mediation and the author of the *Collaborative Divorce Handbook* (2009), *The Mediation Career Guide* (2001), *Unbundling Legal Services* (2000), and *The Complete Guide to Mediation* (1997). Mr. Mosten teaches mediation as a member of the faculty of the UCLA School of Law. He also teaches in the Dispute Resolution Program at Pepperdine School of Law. Woody's widely acknowledged expertise has led him to be in constant demand as a keynote speaker and master mediation trainer for both basic and advanced training throughout the United States and abroad. He specializes in high conflict mediation involving divorcing families, partnerships employment disputes, probate, real estate, commercial disputes and other complex civil lawsuits. He maintains an intense focus on cutting edge issues in law and the craft of conflict resolution skill building, and enjoys helping other professionals build their own profitable practices.

This Conference promises to be an extraordinary 2-day Advanced Training seminar for mediators, social workers, attorneys, judges, and other ADR practitioners. If you're at all involved in mediation, you've almost certainly heard of Woody. You've probably read one of his books or at least some of his articles. Woody's training classes usually sell out months in advance, so don't miss this chance to learn from one of the "best of the best" without paying for a trip to California! You don't want to miss this opportunity! There will be a Pre-Conference Dinner Presentation on Thursday, September 8th at 7:00 pm (EST). Best of all, if you were an IAM member in 2010, even if you didn't renew your membership this year, you qualify for the “Current Member” price - a savings of \$100.00 and your membership for 2011 is included!

To register for the Conference or to get more detailed information, visit the *What's New* page of the IAM [website](#). Or, if you prefer, you can [register online](#) and use your credit card to add to your cache of airline miles or rack up points. The price of registration goes up by \$50 after August 15th, so don't delay!
